Mr.

25X1A9a

FYI on Logistics Memo on Butler Building.

's engineers, after visiting  with Security, prepared a memo yesterday to send to DDS thru Mr. Blake estimating the cost of renovating the 4,000 sq. ft.  (a Butler Building ~~cost~~ \$23,000) to be as follows:

25X1A6a

25X1A

Convert to a New Vault Structure  
Costs from \$163,000 to \$180,000

Use Building with Walls Clear \$131,000  
Capacity 16,000 cu. ft.

*Special TV units inside  
cost - \$60,000*

Use Building with shelves along Wall \$163,300  
Capacity 18,000 cu. ft.

*Special TV units  
inside + outside  
cost - \$92,000*

They included in their memo a suggestion that the proposal be re-evaluated and compared with other alternatives.
